

## PASSPORT

Check the current validity of your passport.

All travelers will need a passport valid for at least 90 days before the date of entry.

However, we strongly recommend traveling with 6 months validity on your passport at all times.

Make sure your passport has blank Visa pages.

Thailand requires that you have adequate blank pages in your passport. We recommend that you have at least two free pages in visa section of your passport. Please visit your embassy website for extending your passport pages.
